

PRESS RELEASE

Actions against Citigroup underway

With regard to yesterday's press briefing given by Citigroup representatives, Parmalat SpA notes that Citigroup is in fact currently involved in the following three cases: (1) a committal to trial in Parma for its alleged co-liability in the fraudulent bankruptcy at Parmalat, (2) another criminal proceeding in Milan for alleged market rigging, and (3) in a further trial for damages before the New Jersey Court.

In view of these ongoing proceedings, Parmalat believes any comment to be inappropriate.
